*We perform this item in memory of the late Graham Ward. Graham died on the 1st May this year. Graham was an enthusiastic member of the choir, as well as singing in barbershop quartets at several of our concerts. He was also a past Choirmaster, and a valuable member of the Artist Doctors organising committee. Graham was a talented musician, with the most rare and sought after voice in any choir, a fine tenor who was always right on the note. We miss his enthusiastic participation, his enjoyment of music and harmony, his musicianship and his guidance in things musical. We have sent our condolences to his wife Glennys and his family.*
